**EN: 8-3 Born: 1-21-09
10 farrowed, 10 weaned • stress negative
Bred September 30, 2009 to AFTER SHOCK, the 2009 STC Reserve
Champion Boar (Atom Bomb x Bow Flexx)**

Due to Farrow January 20, 2010

Don Look opened the gates and said, "Go select the female that best represents my herd and the Poland breed and then you tell me how I need to mate her." After looking through nearly 20 possible replacement gilts, 8-3 kept surfacing to the top, followed closely by her littermate. When the selection was made, it was then learned that she was stress negative and out of the \$1,700 2007 STC Top-Selling Poland Gilt.

In this age of muscle, width, bone and balance, this foundation-quality female truly excels and her expected litter by AFTER SHOCK brings more excitement to the table. You can expect this future litter to not only be stress negative, but have unbelievable muscle, a great look, be structurally correct and extremely popular for their genetic and phenotypic appearance.

Littermate barrows to this Foundation Female placed 1st and 2nd in class at the 2009 Illinois State Fair and also reserve champion Poland barrow in the open show.

In the desperate demand for Polands to be stress negative, one would never think this much muscle, width and bone could match this result. The service sire, AFTER SHOCK, also stress negative, brings extra length, width, muscle, athleticism, and a very correct phenotype into play. Study the unique and powerful pedigree of 8-3 which includes Freedom, Serious Business, Black Cat, Bow Flexx, Rice Rocket, Masterpiece, Jaguar, Indian Larry, New Dezine and other breed stalwarts. Add the genetic strengths of AFTER SHOCK, the \$7,500 Atom Bomb, VooDoo Love, Bow Flexx, Jimmy the Greek and Bling-Bling and you have truly captured most all of the greats in the Poland China breed in this exciting Foundation Female and the expectant litter.

Wow—what an opportunity to be in on the ground floor of the Poland China breed and support Team Purebred.

A big thank you to Don Look and Family for making this great female available for the future advancement of your herd and Team Purebred.

*Foundation Female sells
on December 5, 2009,
with 40 additional
bred females.*

*Sells with 90
days mortality
insurance.*
